Based on 300% Federal Poverty Guidelines

Example: Family of two with income of \$100,000
 30% of \$200 = \$60/day full treatment stay = \$5,400

Example: Family of four with income of \$100,000
 20% of \$200 = \$30/day full treatment stay = \$2,700

Example: Family of six with income of \$100,000
 10% of \$200 = \$20/day full treatment stay = \$1,800
